It's hot outside (Hot outside)
It feels no nice (Feels so nice)
It's summertime (Summertime)
Summer, summertime

Summer shit, I be on some summer shit, hey, hey
Summer shit, I be on some summer shit, hahaha, uh-oh

Whole lot of big, oh fuck
Whole lot of big bitches, shit
Whole lot of big bitches in a two-piece
Big like when I be flyin' out by two seats
I'm your favorite song and I ain't talkin' Juicy
Apple bottoms on that booty, lookin' juicy
I'm so poppin', I can twerk and do a TED Talk
And all I talked about was twerkin' in my TED Talk
Sun's out, buns out and it's real soft
When he squeeze it, leave a mark and that's real talk
Two thongs in my ass, where the pool at?
Lexo just hit up my phone, where was you at?
Slap bumpin', lil' flip, I can do that
And you know we H-Town, we gon' screw that

Summer shit, I be on some summer shit
Got the yitty outside, that's my summer fit
Most you niggas lame, only some are lit
I don't really need the dick, give me some of it
Summer shit, I be on some summer shit
Got the yitty outside, that's my summer fit
Most you niggas lame, only some are lit
I don't really need the dick, give me some of it

Summer, summertime (Where was you at?)
Summer, summertime (Where was you at?)
Summer, summerti-I-I-ime (Huh, huh)
Summer, summertime (Where was you at?)
Summer, summertime (Where was you at?)
Summer, summerti-I-I-ime (Huh, huh)

I'm in the mood, what you wanna do?
