

# All Falls Down

Lizzy McAlpine

Hollowed out  
Tell me how to be  
More like you today  
More than a shell of me

Couldn't say  
Who I am right now  
Tell me how to keep the time from  
Sticking around

'Cause it all falls down on you at the same time  
Yeah, it all falls down on you at the same time

Twenty-three  
And a sold-out show  
I am happy, but  
I'll probably cry after you go home

Doing fine  
Like I always am  
Am I that good of a liar  
That I believe myself again?

And it all falls down on you at the same time  
Yeah, it all falls down on you at the same time

Twenty-two  
Was a panic attack  
I can't stop the time from moving  
And I can never get it back

'Cause it all falls down on you  
When it all falls down on you  
Then it all falls down on you  
And it all falls down on you  
At the same time  
At the same time
