

## an ego thing

Lizzy McAlpine

Guns drawn, slow down  
It's a battle over something stupid  
They're all the rage right now  
You don't know the truth  
It's a battle that I think I'm winning  
Something makes me think you think that too

I was trying to be honest  
You don't make that easy to do

It's not that important  
It's none of your concern  
But you got angry  
And said some angry words  
It's not that I hate you  
I hate that it hurt  
There's nothing else to it  
I can't do anything more, mm

Sharp knife, loaded gun  
There are two ways we can do this  
I know which would be more fun  
I won't go first, won't apologize  
Pretty sure that it's an ego thing  
But I can't stand a compromise

I was trying to be honest  
But now I think I should've just lied

It's not that important  
It's none of your concern  
But you got angry  
And said some angry words  
It's not that I hate you  
I hate that it hurt  
There's nothing else to it  
I can't do anything more, mm

Ooh-oh, I was trying to be honest  
If this is what I get, I won't be honest anymore  
Oh, if this is what I get  
I swear I won't be honest anymore
