

# bite

Lizzy McAlpine

It's unforgivable

I am lately (?)  
I feel like I'm goin crazy  
I felt invincible  
When you saved me  
I thought maybe  
We could be more than a phase  
We weren't together very long  
Maybe that's what went wrong  
I have fallen too fast  
And you got caught in the act  
Why did you have to go and lie to me  
Could've just confronted me  
Didn't have to let me go that fast

I know you know  
That I know that I was just a rebound  
Not anything real  
I shouldn't be waiting (waiting)  
Or pacing (or pacing)  
Or thinking that you've changed  
For real

And I know that you're still in love with her  
Even after all of the things that she did  
You just can't help it  
You ditched me  
And acted like you didn't even care  
I don't know how we got here  
But my fear that [?]  
Mmmm  
I live my life in [?]  
Apparently you wanted back in my life (?)  
I'm turning all the tables now  
You don't think I'm able to forget you  
But honey I might  
You think I'm innocent  
Harmless  
Just a little child  
But baby  
I fight
