Bored

Lizzy McAlpine

I walk away from you all of the time
We sleep in different beds every night
You say you love me, in reality, we fight 'til I lose my mind
I try to keep up with all I do wrong
You hate all of my favourite songs
I don't think I could tell you anything
It's gone on for way too long

I think it's pretty obvious, but you're pretty oblivious
So I'll be the one to break the bad news

I'm bored
Of saying the same things I've already said
So bored
Of talking to walls over and over again
Hope it doesn't seem like I'll put up with this forever
Just 'cause you like me
I don't hate the way I'm yours, I'm just bored

You walk away from me
All of the time
I dream about different guys
I say "I love you"
In reality I'm tellin' a lie

I think it's pretty obvious, but you're pretty oblivious
So I'll be the one to break the bad news

I'm bored
Of saying the same things I've already said (already said)
So bored
Of talking to walls over and over again (over again)
Hope it doesn't seem like I'll put up with this forever
Just 'cause you like me
I don't hate the way I'm yours, I'm just bored

I'm so bored
I'm so bored
I'm so bored

I think it's pretty obvious, but you're pretty oblivious
So I'll be the one to break the bad news

I'm bored
Of saying the same things I've already said
So bored
Of talking to walls over and over again
Hope it doesn't seem like I'll put up with this forever
Just 'cause you like me

I don't hate the way I'm yours
I don't hate the way I'm yours
I don't hate the way I'm yours
I'm just bored
