

gone

Lizzy McAlpine

How do I know
When it's time to let go
I keep living in a daydream
And I can't find my way home
Did I miss a sign
Was there something I needed to find
Lost and confused
I write my feelings on paper
In the form of a song
Like this will help me along
I don't know where we went wrong
Can't get out of bed
I am stuck in my own head
I need to write a new song

I don't know where you went
But it's somewhere I can't get to
Why do you insist on living like this
Why won't you let me find you
Help me
Let me remind you
What we had was innocent
But careful and strong
What we had was great
But now it's gone

Oo-oo-oo-oo
Yeah

You are replaceable
And boy I'm unbreakable
Can't shoot me down
I won't surrender now
In the form of a song
Like this will help me along
I don't know where we went wrong

Only trying to help tore apart whatever we felt
Now it's gone
I don't know where you went
But it's somewhere I can't get to
Why do you insist on living like this
Why won't you let me find you
Help me
Let me remind you
What we had was innocent
But careful and strong
What we had was great
But now it's gone
Oh, now it's gone
