

New

Lizzy McAlpine

I feel like running  
So far away from here  
I'm stuck in pudding  
Can't move an inch my dear

Maybe in time  
I could learn to love another  
Maybe he'll be just like you

Maybe in time  
I could grow to be some other  
Person who can love like you  
Ooh, ooh

I'm just existing  
Not taking up too much space  
It's probably this thing  
Making my heart jump out of its place

I know in time  
I will learn to love another  
I hope he's just like you

I know in time  
I will grow to be some other  
Person who can love like you

I'm not happy  
But I'm getting through the days  
I feel lonely  
But I don't let the darkness engulf me in flames

I am new  
Because of you  
I feel free  
Because you helped me see

Sometimes I wonder  
Sometimes I don't  
Lightning and thunder  
Threaten to sink my faltering boat

I hope you know  
That I've never loved another  
Quite the way that I loved you

I hope you know  
That I'll never find another  
Person who can love like you

I'm not happy  
But I'm getting through the days  
I feel lonely  
But I don't let the darkness engulf me in flames

I am new  
Because of you

I feel free  
Because you helped me see

Oh, ooh
