

# Nothing / Sad N Stuff

Lizzy McAlpine

I don't wanna leave  
So tell me why I'm going  
I don't wanna leave  
But I'm gone  
I don't wanna leave  
But I'm already running  
And if you ask what's wrong  
"Nothing"

Oh, I'm so sorry  
I am a fool  
I'm so sorry  
For what I'm about to do

Here's your shirt I stole  
Take back what you gave me to hold  
I can wear my own coat when it's cold  
I don't need yours, mmm  
'Cause I don't think I can do this anymore

I'm not sorry  
That I loved you 'til I couldn't breathe  
It was lovely  
But I know that it's not what I need  
It was good, but it's time for me to leave

Something doesn't feel right  
Maybe it's the time  
Something doesn't feel like it used to  
And nothing really rhymes  
Maybe it's the changing of the seasons  
Or maybe it's a sign  
Hmmm, hmmm

Something doesn't sit well  
Maybe it's the food  
Something doesn't fit  
Well, I think I always knew  
That it could be the way I don't speak Spanish  
Or it could be you  
Hmmm, hmmm

He feels good to come home to  
But not to stay  
I'm afraid  
That he feels good to hold on to  
But it feels good to say  
That I'd be okay  
Without you, I'd feel the same

I'm alone, I'm alone, I'm alone all at once  
And I don't know, I don't know how to get back what was  
Is it something in the wind or the rain that makes me sad and stuff?  
Or is it just... you?

He feels good to come home to

But not to stay
