

# Pancakes For Dinner

Lizzy McAlpine

Don't wanna be forward  
Don't wanna cross a line  
But if I were to crash in this plane tonight  
I'd want you to know this

Don't wanna say too much  
Intrude on your space  
But if I were to crash and I never made it home  
I'd want you to know this

Oh, and to tell you is too scary  
So I'll just say something else  
And I wish that you could hear me  
When I talk to myself  
But this plane might not land safely  
So what the hell do I have to lose?  
If I just tell you

I wanna eat pancakes for dinner  
I wanna get stuck in your head  
I wanna watch a TV show together  
And when we're under the weather we can watch it in bed  
I wanna go out on the weekends  
I wanna dress up just to get undressed  
I think that I should probably tell you this in case there is an accident  
And I never see you again  
So please save all your questions for the end  
And maybe I'll be brave enough by then

Don't wanna say something wrong  
Don't wanna be weird  
But if you're still in love with her, I think that I'll leave it there  
And I won't ever tell you this

Oh, 'cause to tell you is too scary  
So I'll just say something else  
Like how was fall semester  
And what was that song about?  
I'll try to hide the way I feel  
But I'll just wanna shout  
What do I have to lose right now?

I wanna eat pancakes for dinner  
I wanna get stuck in your head  
I wanna watch a TV show together  
And when we're under the weather we can watch it in bed  
I wanna go out on the weekends  
I wanna dress up just to get undressed  
I think that I should probably tell you this in case there is an accident  
And I never see you again  
So please save all your questions for the end  
And maybe I'll be brave enough by then

Or maybe I won't ever say what's in my head  
No, I won't have to say anything  
You'll say it instead
