

## Same Boat

Lizzy McAlpine

If I had the chance  
To see the Northern Lights  
I would book the next flight  
And I'd buy a jacket

If I had the chance  
To see snow fall for the first time  
I would stop and rewind  
To re-find the magic

But if there was ever a chance to tell you  
That I think about you every single day  
I don't know if I could take that chance  
Or take your hand and say

You are on my mind (Oh, oh)  
When I miss the snow (Oh, oh)  
You show up when I hear that song or  
I finally start watching that TV show  
I don't know why every time that I think of home  
I can picture you standing in the cold  
But I, I'm scared 'cause I don't know  
If you and I are in the same boat

If I had the chance  
If you asked out of the blue  
How I really truly feel about you  
I don't have a clue how that would go

Oh, if I had the chance  
Would I really tell you?  
Would I bare my soul and maybe end up crying in the bathroom?  
Or would I ask you to kiss me slow?

'Cause you are on my mind  
When I miss the snow  
You show up when I hear that song or  
I finally start watching that TV show, oh-woah  
I don't why every time that I think of home  
I can picture you standing in the cold  
But I, I'm scared 'cause I don't know  
If you and I are in the same boat
