Staying

Lizzy McAlpine

Whisper to me, baby
I'm too far gone to care
I wish I could have said what I meant when it was right there

Now I'm laying in bed with you
And you're falling asleep
How can you look so peaceful
When you know I'm gonna leave?

What happens when you love me dry?
I give myself to help you get by
I keep on lying and sweating at night
Hold me until someone sends me a sign

Maybe I would be okay
If I let this go forever
Send it into space and watch the planets turn

Maybe I will some day
Let this go forever
Hold me until I find the nerve
