

You Forced Me To

Lizzy McAlpine

You're on top of me
And I'm under you
And it never stops
I am guilty, aren't you?

No one gets to win
So we will both lose
Tell me why you think you love me
I am guilty, you're a fool

I want you to hate me
I deserve it for my crimes
I know that I loved you
But you loved me harder
Every time
I am not the same
As when you met me
I have changed
Because you forced me to

I want you to hate me
I deserve it for my crimes
I know that I loved you
But you loved me harder
Every time
I am not the same
As when you met me
I have changed
Because you forced me to
