

Ooh Wee

LL Cool J

If I'm hot for you and you're hot for me
What you got for me is no shock to me
Can't believe that you're my property
The sound of you clappin' on top of me
The feeling of hitting the lottery
Or passing go twice in monopoly
But they don't compare to what you got for me
The taste of the puddin' is so chocolaty
I'm so conceited so obscene
And still got my sneakers and my chain all leanin'
And when I hit it right it start gleamin'
Mean faces for what was the reason
Chop it a little bit
It's hard to read you like I'm illiterate
But I'm ready for the graduation
Yeah go ahead and repeat that rotation

Give me all you got baby 2nite
Now's the perfect time
Come blow my mind
It's cold out here please let me come inside
Oh so warm at night
You blow my mind, hey

You can go ahead and talk greasy
Tell me that you never had it this deeply
I'm a whisper slick you respond sweetly
Extra freaky I trick and you treat me
I'll give you take but don't hesitate
When you feel it go and throw it right back
Just let me hold ya by ya shoulders
Then you can take it like that
I knew you was a champ girl got your leg
On the dresser kickin' the lamp girl
Run the shower lets go in the bathroom girl
Cause the temperature is hotter than high noon girl
Crack that door let the steam flow
Ain't nobody here but me and you let it go
You never it this good you already know
Give me all you got girl really though

You're the sexiest woman I've ever known
My mind is blown
You're simple beautiful how you do it to me
You're showin' me things I'd never do
Whole 'nother side of you
Just keep what you do it feels like oh we

You can go ahead and hit a wild climax
Ain't no way I'm bout to let you relax let me see if
You can hold me on ya back
Let me see ya body wine to the track
Chop it a little bit
Hard to read you it feels like I'm illiterate
But I'm ready for the graduation
Yeah go ahead and repeat that rotation
