

Billion Paper

Llona

This thing got a hold on me
Sometimes I get tired of this whole journey
Sometimes I carry phone make I text person
But my pride and ego got the best of me (For they say)
Darkness is the only road
I only see myself on this lonely road
I can't tell but I only hope
You know the devil can't be friends with the Holy Ghost

Oh-oh-oh-oh
Tell someone, I'm on the road
Tell my mum, she's got a gold
All the stories that she told
For the time she was alone
I can't do this on my own
Music is everything I know
It's the risky part I chose

Tryna make a billion paper
Shoutout to my day one chasers
No be only me don face am
Plenty people wey don face am
If I make a billion paper
Never fuck around with silly boy haters
If I make a billion paper
If I make a billion paper

I'm locked in for life
That's how we survive
My joy comes in the night
I'm fortified
You can bring on the fight
We shoot as we sight

Oh-oh-oh-oh
Tell someone, I'm on the road
Tell my mum, she's got a gold
All the stories that she told
For the time she was alone
I can't do this on my own
Music is everything I know
It's the risky part I chose

Tryna make a billion paper (Billllion)
Shoutout to my day one chasers (Shoutout to my day one)
No be only me don face am (No be only me don-)
Plenty people wey don face am
If I make a billion paper (Billllion)
Never fuck around with silly boy haters (Silly boy)
If I make a billion paper
If I make a billion paper

If I
