

Comforter

Llona

Six years sitting in the corners
Tryna make the money in abundance
Niggas pop niggas for the culture
Can't stop baby I'm a runner
Snakes in the grass anaconda
Never ever snitch on a brother
No no no

And I had no motherfucking comforter
When I had nobody just to call brother
Call my mama say her pikin don suffer
Only my dealer be my comforter
Only my dealer be my comforter
Niggas kill niggas that they call brother
Chasing that bread till I cross border
Cross border

If I don't smoke weed then I cannot sleep
Don notice say I cannot breathe
Girlie dem tickle my fantasy
Any other thing na counterfeit
If I don't smoke weed then I cannot sleep
Don notice say I cannot breathe
Girlie dem tickle my fantasy
Any other thing na counterfeit

See small pikin wey dey form lover
Ain't nobody pushing us further
Only my God be my comforter
Don't have friends, only got brothers
Many many thing wey dey bother man
Too many things you no fit understand
Gotta run back to my other man
Gotta run back to my other man

And I had no motherfucking comforter
When I had nobody just to call brother
Call my mama say her pikin don suffer
Only my dealer be my comforter
Only my dealer be my comforter
Niggas kill niggas that they call brother
Chasing that bread till I cross border
Cross border

If I don't smoke weed then I cannot sleep
Don notice say I cannot breathe
Girlie dem tickle my fantasy
Any other thing na counterfeit
If I don't smoke weed then I cannot sleep
Don notice say I cannot breathe
Girlie dem tickle my fantasy
Any other thing na counterfeit
