

## Brazil

Lloyd Cole

I hear they have the good drugs in Brazil  
Maybe I'll take some  
Maybe I'll feel better if I do  
In Brazil

I hear they're pretty laissez-faire down there  
But me I'm so uptight  
Taken unaware - well, I just might  
In Brazil

I hear they have the good drugs in Brazil  
Maybe I'll take some  
Maybe I'll feel better if I do  
In Brazil
