

# Memphis

Lloyd Cole

Well I'd like to go to Memphis  
But I don't know the way  
And I'd like to tell you how I feel  
But I don't know what to say

And I love to go to heaven  
But I've forgotten how to pray  
So just help me keeping  
From sliding down some more

Well I tried to get back to her  
But I got lost on the way  
I'd start again tomorrow  
But I don't know what day it is

And I'd sure like to love you  
If you show me the way  
Just help me keeping  
From sliding down some more

I don't know what it's like out there  
But in here it's getting darker  
I've got a lot of things to share  
But it's sure rough getting there

Well I'd like to give you all I've got  
But I don't know what that is  
And I'd like to take you with me  
But I don't know where that is

And I know there must be something  
Some place some way to live  
So just help me keeping  
From sliding down some more

Just help me keeping  
From sliding down some more  
Some more

Just help me keeping  
From sliding down some more

Just help me keeping  
From sliding down some more
