

# Opposites Day

Lloyd Cole

Who was it said  
Opposites Attract?  
It wasn't me  
I want you  
More than I can  
More than I can say

If I could choose any other day  
Any other day  
You should know better than believe  
A single word I say

The next line is the truth  
The last line was a lie  
I know, I know you look a lot like me  
We are, we really are a sight to see

I can't stop pushing you away  
Pushing you away  
Break up on Opposite's Day  
You know we are the same  
I know we are the same

Fall in love with me  
Fall in love with you  
Fall in love with me  
Fall in love with you

The next line is a lie  
This one is the truth  
You know, he could never be your man  
He won't jump into the river holding hands

If I could choose any other day  
Any other day  
You should know better than believe  
A single word I say  
I can't stop pushing you away  
Pushing you away  
Break up on Opposite's Day  
You know we are the same  
I know we are the same

Fall in love with me  
Fall in love with you  
Fall in love with me  
Fall in love with you
