

Feel Like June

Lloyd

hey girl
there's something about your body that be driving me crazy
i need that
bout to come over there
and kiss them lips
kiss this

deeper deeper i'll be fallin in,
gotta see her, see her
she keep that thing vibrating like a pipa pipa
i ain't felt lil' mama in a while
and i need that right now yeah
we go we go damn im feeling for it
my receiver , ceiver
she throw it back at me
ooo she's a keeper keeper
i set that thing on fire like a
uuh ooh

i ain't never been alive
but my body is crying now yeah
when is just the two of us
it feels like a
i can never get enough
every time just like the first time
i just gotta drop the love
and live it again and again and again

chorus:
i'm heading to the crib it's a quarter past two
i got something special is planed for you
i'ma take em off, i'ma break you off
you're so hot and wet you feel like june
you're so hot and wet you feel like june
i'ma have a picnic all on you
i'ma take em off, i'ma break you off
you're so hot and wet you feel like june
i'ma have a picnic all on you

are you ready, go all around when you ride it
like a twenty-eight to my chevy
baby you're a star, do anything and every
my beyonce, my ciara, my rihanna, my carey
girl you know i i i
don't need nobody but you and your body
have a picnic girl i eat it up,
boom boom boom boom beat it up
girl you know i ain't got it
