

I Need You

Lloyd

Superstar you are.
The best I've ever had by far
Thought I could get over you
But, no your just to far
Your so high out there, you so high out there.
Baby they cant touch you
Ooo no they cant touch you
Yeah, All I wanna hear you say baby is yes
Put your hand right here you can hear my heart go boom boom boom boom
I be missing you like boom boom boom boom
I be needing you

I Need you Like the heat needs the summer ooo girl I want you
baby I need you like the snow needs the winter
Ooo baby your the winner
And my heart keeps callin callin I keep fallin fallin
for your love
and I don't wanna get up
I don't wanna get up
I don't wanna get up
I don't wanna get up
And I don't wanna get up
No

Sheets are made of silk
girl my bed is made for you
now I cant go to sleep cause no other girls would do
Your so fly there, your so fly up there
Baby they cant touch you ooo naw they cant touch you
Yeah, All I wanna hear you say baby is Yess
Put hand right here you can hear my heart go
Boom boom boom boom
I be missing you like boom boom boom boom
I be needing you
Yeah.

(I Need it, I breath it, All the time.)
No

Baby, I need you to know something (Baby I miss you)
Your really special to me (Ooo baby I miss you)
I mean for real you know what I'm sayin
I need you (baby I miss you)
My heart needs you
My body needs you.
(Baby I miss you)

(Baby I miss You)
