

Lights, Camera, Action

Lloyd

Yo do you love me yes but do you trust me a course I do baby ca
use uh I wanna try something
With you that I never tried with anyone else before is you with
it you know I'm with it just tell me what you want me to do

You go hit the lights I'll go get set the camera let's get to t
he action

I been thinkin' bout this 4 some time I got an freaky imtation
burning deep inside you see the script already rollin'
Yo the bedroom is the static I hope you know your lines cause o
ne take is all we get

You go hit the lights I'll go get set the camera let's get to t
he action

By the time is this over girl I'm a make you a star I promise n
ow I'm director in is dues you the leading lady girl in my show
(you da leading lady)

Your body got me girl do all the stunts on my own believe that
girl can turn phone off I be quiet on the set and you better kn
ow your lines cause one take is all we get

You go hit the lights I'll go get set the camera let's get to t
he action

We gon rewind do it one more time & play back our lines on the
wide screen baby don't stop till I say cut cameras up, cameras
up keep them rollin yeah we rollin [x3]
