

Like Me

Lloyd

You can look at my life
And see what I see
But you can never
You can never do it like me
You can never
You can never do it like me
Like me.

Been workaholic
Since my momma birth me
Since I was a shawty
Runnin' around in the nursery
Never knew my father
So I grew up early
Learn to handle business
Like a nigga in his thirties.

Now that money ain't a problem
Livin' like we moppin'
Care about the boulevard
That's why we go hard
Cause once upon a time we were at the bottom
And I really hated being on the bottom

Up, up in that third wall (third wall)
I would write songs (write songs)
About the day when I could turn the lights on
Through that I'd see the day
When I could perform
In front of these crowds (these crowds)
Look at me now (Look at me now)
That's why I say.

You can look at my life
And see what I see
But you can never
You can never do it like me
You can never
You can never do it like me
Like me.

Like me (Ohhhhhh)
Never do it like me (No you can never do it like me)
Do it like me (Ohhhh Oh Oh Oh Oh Oh)

Hustlin' is hard work
Gotta really want it
Dedicated my life tryin' to get it
Oh stay true to yourself don't fraught it
Never talked about it
Everybody live it.

Calling the shots now
I'm the boss man

Got the whole wideworld in my hand
Im at the top now
But I did it my way
Told them haters hit the highway.

Said I remember those days
I would write songs (write songs)
About the day I could turn the lights on
That I could see the day
That I could perform
In front of these crowds (these crowds)
Look at me now (Look at me now)
That's why I say

You can look at my life
And see what I see
But you can never
You can never do it like me
You can never
You can never do it like me
Like me.
