

Porcelain

Like porcelain
Like porcelain

Porcelain
Your love is like porcelain
Wait, don't break, take force to pen it
But when I lay you down, can't force it in
And like porcelain it
Feels good (feels good, feels good) on my skin
Cool to the touch like an ocean wind
Heart, don't break it like porcelain
Heart, on a plate full course I am
Love on the make like China man
Love on the make all night and then
(Oh, oh yeah)
Then hug on your body until the light comes in, oh

'Cause you got that beauty
You got that "better than them all"
You got that "last for a lifetime"
Got that "catch me when I fall"
You got that "on the floor, I'm down to ride"
Got that "put me in the star"
You got that "how you want it, you decide"
That "I'm your baby doll"

'Cause you got that beauty (oh)
You got that "better than them all" (oh)
You got that "last fot a lifetime"
Got that "catch me when I fall"
You got that "on the floor I'm down to ride"
That "up against the wall"
You got that "how you want it, you decide"
'Cause I'm your baby doll"

You've got that porcelain
(Porcelain, porcelain)
(Porcelain, porcelain)
You got that porcelain
(Porcelain, porcelain)
You got it, you got it, girl, oh

And ooh, like porcelain, your lovin' is strong
And [?], nothing can go wrong
Both fire and rain, you last through the storm
It's been too long (it's been too long)
'Cause I felt you wanted me (yeah)
Lately I've been wondering (yeah)
Does this love feels good to you the way it does to me? (does to me)
You the one I come to see everytime
And you're more than just fine

'Cause you got that beauty (oh)
You got that "better than them all" (oh)
You got that "last for a lifetime"
Got that "catch me when I fall" (catch me when I fall)
You got that "on the floor I'm down to ride" (ride)

Got that "put me in the star" (oh)
You got that "how you want it, (you decide)
That "I'm your baby doll"

('Cause you got it) that beauty (you got it)
You got that "better than them all"
You got that "last for a lifetime" babe
Got that "catch me when I fall" (oh I)
You got that "on the floor I'm down to ride" (down to ride, down to ride)
Got that "up against the wall" (up against the wall)
You got that "how you want it, you decide
'Cause I'm your baby doll"

You got it
(Porcelain, porcelain)
You got it
(Porcelain, porcelain)
You got that porcelain
(Porcelain, porcelain)
(Porcelain) You got that porcelain
