

Project Window

Lloyd

Girl you that I need a shawty sweet & ghetto no matter if she's
rockin reebok or stilleto
In my project window samplo [x2]

Caddillac on chromed wheels ghetto dreams good thrills summer n
ights & ice cream trucks
You remember when we fell in love 1st time back in the day hide
& go seek is what we play
Just me & you against the world cause your my ghetto girl

Late at night I hold you tight by my project window samplo
Me & you all through the night by my project window samplo
Take your time relax your mind by my project window samplo
Sending chills up & down your spine by my project window samplo

Such a drittlin rush just from kissing you while me & you turne
d & tossed got me wishing you let your
Hair down by my window frame clothes are off as I take control
& show you who's boss cause baby we gone do it all yeah

Late at night I hold you tight by my project window samplo
Me & you all through the night by my project window samplo
Take your time relax your mind by my project window samplo
Sending chills up & down your spine by my project window samplo

Take this relationship far it's how you excite your life by you
excited bout it girl I know I'm
Old enough to ball what a flyiest shawty u are
Take this relationship far it's how you excite your life by you
excited bout it girl I know I'm
Old enough to ball such a ghetto superstar yeah

Late at night I hold you tight by my project window samplo
Me & you all through the night by my project window samplo
Take your time relax your mind by my project window samplo
Sending chills up & down your spine by my project window samplo

Girl you that I need a shawty sweet & ghetto no matter if she's
rockin reebok or stilleto
