

## Fight Fire With Fire

Lobo

You don't even have to say it  
I can feel there's someone in my way

It's not important what his name is  
Only how hot the flame is  
I intend to put it out tonight

He's got another thing coming  
If he thinks I'd give you up  
Without a fight

I'm gonna fight fire with fire  
Every way I know  
I'm gonna fight fire with fire  
Till I'm back in control  
I'm gonna fight fire with fire  
Before I let you go

I've never loved of desperation  
But it's a desperate situation  
And I can't afford to let you down

So tonight my one and only aim  
Is to be your one and only flame
