

# Candy Maker

Loïc Nottet

First of all, you have to know  
The story that has made me sick of candy stores  
She seemed kind, a twisted mind  
She made us eat so much we couldn't leave the floor

She fills you up with lollipops and pumpkin pie  
Crunchy chocolate filling that could make you cry  
With gummy bears and jelly beans in every size  
And yummy sticky toffee you can chew all night

I'm the candy maker  
The finest queen of bakers  
Will you lick the jelly jam  
I've poisoned with ammonia  
Bleaching all the crispy treats  
To make the children fall asleep  
Chemical sweets, mmm!  
They will be so sick!

I'm the candy maker  
The ginger house creator  
Eating all the organs  
After cooking them for hours  
Biting on the juicy meat  
And ripping skin with nails and teeth  
What a delight  
Licking my fingers clean

So doctor can you please  
Help my needs  
The crazy clown in tears  
On his knees  
She'll pay for this I swear at the least  
I'll tie her to a chair and make her feast

(Burp)

Ha ha! She said

Eat the muffin, take the pudding, cherry cake with lime  
Pigging out on fluffy marshmallows in every bite  
Then creamy shakes and ginger bread and milky chocolate bars  
Drink the caramel sauce dripping all through the night

I'm the candy maker  
The ginger house creator  
Eating all the organs  
After cooking them for hours  
Biting on the juicy meat  
And ripping skin with nails and teeth  
What a delight  
Licking my fingers clean  
Ha ha! What a delight  
Licking my fingers clean
