

Start It From The End

Loïc Nottet

Yesterday, I couldn't sleep, I couldn't wake up
Stumbling in the street like a na-na-na
Today I tell myself I gotta level it up
Climbing to the top like a na-na-na

I've never, never, ever been afraid of the light
To get those gloves on the laces pulled tight
I've never, never, ever run away from a fight
Stand your ground

Get it right, here we go again
Damn, damn, I'm tryna be your friend
There's nothing better, here we go again
Damn, damn, I'm tryna be your friend
Let's start it from the end

Whoa-oh-oh-oh-oh, whoa-oh-oh-oh-oh
Whoa-oh-oh-oh, gotta start it from the end
Whoa-oh-oh-oh-oh, whoa-oh-oh-oh-oh
Whoa-oh-oh-oh, gotta start it from the end

Yesterday you shot me down, I couldn't get up
Dragging in the street like a na-na-na
Today I'm off the ground and I will never give up
I'm flying to the top like a na-na-na

I've never, never, ever been afraid of the light
To get those gloves on the laces pulled tight
I've never, never, ever run away from a fight
Stand your ground

Get it right, here we go again
Damn, damn, I'm tryna be your friend
There's nothing better, here we go again
Damn, damn, I'm tryna be your friend
Let's start it from the end

See, I started from the end
I'm tryna find my way back
I was lonely for a minute, had to really face that
It's a lonely road up ahead
Gotta take my time today
And switch these steps and fly away
I'ma chase my part
So we lighting up in the dark
I'ma head straight like I'm diving
Erupt with this miling
I'm ready for it, I'm striving
I rise above like a pilot
Smiley faces, no crying
So stand your ground

Get it right, here we go again
Damn, damn, I'm tryna be your friend
There's nothing better, here we go again
Damn, damn, I'm tryna be your friend
Let's start it from the end

Whoa-oh-oh-oh-oh, whoa-oh-oh-oh-oh
Whoa-oh-oh-oh, gotta start it from the end
(Start it from the end)
Whoa-oh-oh-oh-oh, whoa-oh-oh-oh-oh
Whoa-oh-oh-oh, gotta start it from the end
(Start it from the end)
