

## 5th Ave. Crazy

Local H

My pockets are out  
You've got me upside-down  
I've gone 5th Ave. Crazy  
Flat on my face  
I feel your hands on my waist  
I've gone 5th Ave. Crazy  
This is what I want, I guess  
Agin' fast and out of gas  
Fissures are cracked  
But there's no goin' back  
Cuz we're buttfuckin' crazy with 5th Ave. Crazy  
Oh my God, I love it so  
And that's all you need to know  
Give me money, give me blow  
Don't slow down cuz red means go  
Oh my God, I love it so  
And that's all you need to know  
Give me money, give me blow  
Don't slow down cuz red means go  
Red means go  
Again, it's really pathological the paths you take  
But you can't change, and you know you should  
I've gotta air out  
I've gotta dry out  
But the deal was to go and go until we're dead  
We're dead  
Oh my God, I love it so  
And that's all you need to know  
Give me money, give me blow  
Don't slow down cuz red means go  
Oh my God, I love it so  
And that's all you need to know  
Give me money, give me blow  
Don't slow down cuz red means go
