

# Blur

Local H

You know this year was a blur  
I think I know you, but I'm not sure  
If I don't know, I don't care  
I only took you home on a dare

It's only livin' now  
It's all I'm givin'  
We're only livin' now  
The quarter to seven  
Hits me with the bright light  
We're only livin' now  
It's all I'm givin'

You know this year was the worst  
I really thought it was fun at first  
And I don't care if I'm wrong  
You know this bender's been all year long

It's only livin' now  
It's all I'm givin'  
We're only livin' now  
The quarter to seven  
Hits me with the bright light  
We're only livin' now  
It's all I'm givin'  
It's only livin' now  
It's all I'm givin', YEAH!

And things are starting to blur  
I almost called your name  
Things are starting to blur  
I almost made a mistake  
Things are starting to blur  
I only shut myself up  
Things are starting to blur  
I almost fucked myself up
