

# High, Wide and Stupid

Local H

There's no sense in being clever  
There's no sense in sense at all  
Nothing gained in this endeavour  
My head in the nearest wall

Wear it like a new dress  
Your lawyer daddy's so impressed  
Barking like a stage mom  
Perfumed like a stink bomb  
Yeah!  
Alright  
Thrower of salt  
Chasing the bleed  
Take away all reason

High wide and stupid  
High wide and stupid  
High wide and stupid  
High wide and stupid

Take to Twitter on the shitter  
Convince yourself you're not obsessed  
Crying to the baby sitter  
Someone's fucking diaper's wet

Wear it like a new dress  
Your CEO is so distressed  
Fussing like a stage mom  
Perfumed like a stink bomb  
Yeah!  
Alright  
Thrower of salt  
Chasing the bleed  
Take away all reason

High wide and stupid  
High wide and stupid  
High wide and stupid  
High wide and stupid

High wide and stupid  
Wear it like a new dress  
High wide and stupid  
Your lawyer daddy's so impressed  
High wide and stupid  
Barking like a stage mom  
High wide and stupid

Take away all reason  
Take away all reason  
Take away all reason  
Take away all reason
