Joey, baby don't get crazy
Detours, fences, I get defensive
I know you've heard it all before
So I wont say it anymore
I just stand by and let you
Fight your secret war
And though I used to wonder why
I used to cry till I was dry
Still sometimes I get a strange pain inside
Joey, if you're hurting so am I
Joey, honey, I've got some money
All is forgiven so listen please listen
And if I seemed to be confused
I didn't mean to be with you
And when you said I scared you
Well I guess you scared me too
But we got lucky once before
And I don't want to close the door
And if you're somewhere out there
Passed out on the floor
Joey, I'm not angry anymore
And if I seemed to be confused
I didn't mean to be with you.
And when you said I scared you
Well I guess you scared me too
But if its love you're looking for
Then I can give a little more
And if you're somewhere drunk and
Passed out on the floor
Joey, I'm not angry anymore
Angry anymore, angry anymore
