

## Manifest Density Pt. 2

Local H

You're on to something good  
But it can't be all that matters  
You're on to something good

You're on to something good  
But it can't be all that matters  
You're on to something good  
But it can't be all that matters  
But it can't be all that matters

You're on to something good  
But it can't be all that matters  
You're on to something good  
But it can't be all that matters
