Patrick Bateman

Local H

I got a brother in a cheap red hat
Hazy days in a judge's frat
You won't like what I have to say
Something wicked is a-coming this way

You won't like what I have to say
I don't like it when I get this way
I don't like what I have to say
You won't like me when I get this way

I'm afraid I let my rage get the upper hand
I pull a train for the gain of the family brand
Their only talent is a lack of shame
Don't try to train the reptile brain
Nothing great about the current state
Get away

Patrick Bateman on the rise again
f*cking lizards wearing human skin
I don't like what I have to say
The paranoia is a holy state, I was great

You won't like what I have to say

I don't like it when I get this way
I don't like what I have to say
You won't like me when I get this way

They're pulling trains for the gain of the family brand
I understand there's some fans in the Ku Klux Klan
How did everything get so f*cked up?
Drinking piss from a solo cup
Nothing great about your current state, get away

You won't like what I have to say
I don't like what I have to say
How did everything get so f*cked up?
I don't like what I have to say

You won't like what I have to say
I don't like it when I get this way
I don't like what I have to say
You won't like me when I get this way
