

## Puss

Local H

Woo!

Get me something to stop the bleeding, 'cause I'm fittin' to bl  
ow

Knock her down the stairwell and kick her, I think you can take  
her

'Cause she's the one that needs a nailing

Ya might as well just open the door and

Get her out of the truck, get her out of the truck

Get her out of the truck, get her out of the truck

Get her out of the truck, get her out of the truck

Get her out of the truck, get her out of the truck

Get me something to stop the bleeding, 'cause I'm fittin' to bl  
ow

Knock her down the stairwell and kick her

(Kick her down the stairwell)

I think you can take her

Oh, she's the one that needs a nailing

Ya might as well just open the door and

Get her out of the truck, get her out of the truck

Get her out of the truck, get her out of the truck

Get her out of the truck, get her out of the truck

Get her out of the truck, get her out of the truck

Get her out, pow in the bush, yeah right in the kisser

Shove more bourbon down her mouth hole

Pow, smacked in the puss, straight in the sucker

Plum in the kisser, busted her pie hole

Square in the yap, punched in the jaw, straight in the sucker

Dead in her tongue pin, busted in her pie

Square in the yap, punched in the jaw, plum in the kisser

Dead in her tongue, crushed, across, her pie

Smacked in the mush
