

## That's What They All Say

Local H

Oh, no, no, everything must go  
Lost our lease to the liquor store  
We'll be back to fight another day  
Yeah, uh-huh, that's what they all say

Going out of style in a paper bag  
Sniffing chloroform out of burning flags  
Going down in flames and it feels okay  
Yeah, uh-huh, that's what they all say

Yeah, yeah, yeah, it's a pleasure to burn  
I keep fucking up and I never learn  
It's alright, it's okay, we're gonna beat 'em anyway  
Yeah, uh-huh, that's what they all say  
Yeah, uh-huh, that's what they all say

Take it easy, take it easy  
You won't like me when I'm angry  
Mashed potatoes, nice and easy  
It didn't have to be this way but  
That's what they all say

The devil's in the details, the devil's in the details  
Sucking on the third, I said, "The devil's in the details"  
It's alright, it's okay, we're gonna beat 'em anyway  
Yeah, uh-huh, that's what they all say  
Yeah, uh-huh, that's what they all say

I want to go down in flames, I want the guilty to hang  
The empire falls, it's a pleasure to burn  
A pleasure to burn the conquering worm  
Yeah, uh-huh, that's what they all say
