

April

Local Natives

April I'm dying
To know what you're thinking
Somewhere, sometimes
Do you feel the same thing?

You're on my mind
I can't let go
Forever chemicals
Oh why is it that when it's over
It feels like there's still time?

I remember you
Climbed on my shoulders
Naming the lions
On Figueroa

On my mind, I won't let go
Always one more episode
Cause even when it's all over
It feels like there's still time

Lights out
On the way home
If you didn't know how I felt
April, now you know

(And I wonder where you are)
Oooo
Chain-link fence around a vacant lot
Oooo
And I wonder where you are

Lights out
On the way home
If you didn't know how I felt
April, now you know
