

# Empty Mansions

Local Natives

Is it ever really no one's fault?  
The history is cloudy  
Memories I'm doubting  
But I'm remembering the curtain call  
Holding your ground  
Underneath the waterfall

But I  
Blame it on myself  
Blame it on myself  
Oh, ooh  
You never needed my help  
I never asked why  
Oh, I  
Blame it on myself  
Blame it on myself  
Oh, ooh  
You never needed my help  
I never asked why

You stumbled in as it was winding down  
I didn't think you'd make it  
Out this way, we're just  
Empty mansions on a road in shores  
Falling down so slowly  
No one notices at all

And I  
Blame it on myself  
Blame it on myself  
Oh, ooh  
You never needed my help  
I never asked why  
Oh, I  
Blame it on myself  
Blame it on myself  
Oh, ooh  
You never needed my help  
I never asked why

I  
Blame it on myself  
Blame it on myself  
Oh, ooh  
You never needed my help  
I never asked why  
Oh, I  
Blame it on myself  
Blame it on myself  
Oh, ooh  
You never needed my help  
I never asked why
