

Nova

Local Natives

You were going crazy in the lobby
Little champagne and you just lose your mind
Mmhmm

Shaking the contents of your bloodstream
Running till the hotel hallways collide
Mmm

What would we do if we have the time?
Ooh
You look at me and say, "Why me?"
That's easy

I hope we find flowers in the pavement
I, I don't wanna waste it

A Casio preset Bossa Nova
Jumping as the elevator arrives
You in pink silk like Cosa Nostra
Lady Madonna leaving a life of crime
Mmm

One day our children will have your eyes, ooh
What was that that you said?
Rewind
Tell me

I hope we find flowers in the pavement
I, I don't wanna waste it
