

Hometown Home

LoCash Cowboys

We could try the coast of Carolina
Catch the OuterBanks sunrise
Every day of our lives
Find a little spot in Arizona
Decorate the kitchen with a Tex-Mex vibe
From the Sunshine State to the Golden Gate
Anywhere you wanna' roll I'll love
But I got another idea, we could kick it right here
Ain't even gotta' load that truck

We could make this Hometown Home
Keep our roots where they've always grown
Find a fixer upper down that road
From the Church of Christ
Where ya got baptized
We could raise a couple kids up good
In the same red dirt little neck of the woods yeah
Girl I'm down to go
Anywhere you wanna go
But If you wanna stay
I was thinkin' we could make this
Hometown Home
(We could make this Hometown Home)

We can go to your Grandma's every Sunday
You know I love her and her five star suppers
Take it back to the field we had our first date
Find a star we ain't wished on yet
Girl we just won't find our names spray painted
Under any other Main Street bridge
If we hit that road in a Winnebago
Imagine all the things we'd miss

We could make this Hometown Home
Keep our roots where they've always grown
Find a fixer upper down that road
From the Church of Christ
Where ya got baptized
We could raise a couple kids up good
In the same red dirt little neck of the woods yeah
Girl I'm down to go
Anywhere you wanna' go
But if you wanna' stay
I was thinkin' we could make this
Hometown Home
We could make this Hometown Home

From the Sunshine State
To the Golden Gate
Anywhere you wanna roll I'll love

We can kick it right here
Ain't even gotta' load that truck
