

# One Big Country Song

LoCash Cowboys

Yeah, life is like a jukebox, just push play  
Not everybody's first word sounds the same  
But we all get born and we all get raised  
Whether it's some boondocks or Marina Del Rey  
Everybody turns wild when you're 16  
Slow roll, big timin' on Main Street  
Everybody's got holes in their blue jeans  
If you bought 'em that way or not

Turn it up and sing along  
We all work 'til the daylight's gone  
We all knock off the edge around five  
Fall in love from a kiss on Friday night  
And we've all had a broken heart  
We've all closed down a few good bars  
Take a look around, y'all, tell me I'm wrong  
Ain't the whole wide world just one big country song?  
Just one big country song

Yeah, well who gon' try to find some water when it's hot? (When it's hot)  
Whether it's a pontoon, tube or a yacht (Yeah)  
Who ain't got a dog that they love like a brother? (I do)  
And who ain't ever tasted better cookin' than their mother?  
Who ain't got a story to tell?  
And who ain't made it through some hell?  
Who don't love somebody, don't miss somebody?  
If you're down, sing it with somebody

Turn it up and sing along  
We all work 'til the daylight's gone  
We all knock off the edge around five  
Fall in love from a kiss on Friday night  
And we've all had a broken heart  
We've all closed down a few good bars  
Take a look around, y'all, tell me I'm wrong  
Ain't the whole wide world just one big country song?  
Yeah, it's just one big country song

Not everybody knows the words to "Mama Tried"  
A city boy, country boy, yeah, we all just tryna survive  
So raise 'em high

Turn it up and sing along  
We all work 'til the daylight's gone  
We all knock off the edge around five  
Fall in love from a kiss on Friday night  
And we've all had a broken heart  
We've all closed down a few good bars  
Take a look around, y'all, tell me I'm wrong  
Ain't the whole wide world just one big country song?  
It's just one big country song  
Yeah, we all live in one big country song

Yeah, it's just one big country song
