

Away From Here

Locksley

All of this time it was so obvious to me
I read the signs, some things you must want to see
So come, come we must go
Away from here
Oh we both know
There is no staying here
So what can I do, oh I belong to you
I'll tell you the truth, that is if you want me to
But come, come we must go
Away, away from here
Oh we both know
There is no staying here
Come we must go
Away, away from here
Oh we both know
Let's go away from here
