In Celebration

Locksley

Hey, hey, hey now, oooh
Hey, hey, hey now, whoa-oh

Any place that I wanna go, is alright
Anybody I wanna know, is alright

I keep all my people, dear, close to me
that's, that's family

Hey, hey, hey now, oooh
Hey, hey, hey now, whoa-oh

Anything that I wanna do, is alright
I don't need more money than you, I'm alright

I've already gotten all that I need
Thought I wasn't made for the times, but the times made me

Hey, hey, hey now, oooh
Hey, hey, hey now, whoa-oh

If it takes all night, girl
It can take all night, girl
That would be alright

Hey, hey, hey now, oooh
Hey, hey, hey now, whoa-oh

Any place that I wanna go, is alright
Anybody I wanna know, is alright
Anything that I wanna do, is alright
I don't need more money than you, I'm alright
