

# Why Not Me

Locksley

Oh, talk, talk, talk  
Oh, shut your mouth  
A little kiss, kiss, kiss  
Come on and help me out  
Desperate times call for desperate measures  
And desperate desires lead to desperate pleasures

You know?  
Oh yeah, you know, don't you?  
Oh god, you don't?  
Oh no, you don't, do you?

Won't you teach, teach, teach me if you can  
How to be more cosmopolitan  
Who needs class when you got money?  
Well I've got cash, but you've got everything else  
Well you can call me crazy, but I heard that sells

Oh, why can't I be you?  
Oh, how can I be you?  
Oh, it's so easy for you to be  
Just what everyone wants to be  
So, why not me?  
Tell me, why not me?  
Tell me!

Well look, look, look who's laughing now?  
Well it's me-e-e, but not too loud  
I won't make it on my own for long, dear  
I'm doing anything to just hold on here  
It's true, it's true  
That I could just walk a mile in another man's shoes

Oh, why can't I be you?  
Oh, how can I be you?  
Oh, it's so easy for you to be  
Just what everyone wants to be  
So, why not me?  
Tell me, why not me?

Now listen to me, listen to me  
You're what I should be, what I could be  
So what do you say, what do you say?  
I'm willing to pay, begging to pay  
Now what'll it take, what'll it take,  
To get me a break, give me a break?  
Oh what can you do, what can I do  
To make you like me, make me like you?

Why can't I be you?  
Oh, how can I be you?  
Oh, it's so easy for you to be  
Just what everyone wants to be  
The things never stop haunting me  
You can make it look so easy!

Why not me?

Tell me!  
Why not me?  
Oh, tell me!  
Why, not me?
