

Grapevine

Locnville

And i heard it through the grapevine oh-oh
she wants to party with me
cause we had a great time oh-oh
now all i want to do
is dance away the night

she got me feeling like I
dont want to be alone
she got me thinking like i dont know what im in for
But you know baby im just (im just) having a good time
a good time
yeah
you got me feeling lucky, you got me love-stoned
you got me going crazy tripping like im all one
but you know darling im just(im just) in for a good time, a good time
yeah
oooh
dont drop, me lets operate it
oooh
dont tell me that you'll call me later
you
you told me that youd show me a good time
a real good time

AND I HEARD IT THROUGH THE GRAPEVINE OH-OH
SHE WANTS TO PARTY WITH ME
CAUSE WE HAD A GREAT TIME OH-OH
NOW ALL I WANT TO DO
IS DANCE AWAY THE NIGHT WITH YOU

cause we had a great time
oh-oh
now all i want to do is dance away the night with you.

Im glad we got together
I think we get along
you got me feeling like i want to sing you love songs.

I think that im in heaven
