I feel like reading a manhwa
I can draw you easily
It feels like you're outside the door
But you are hours away
I thought soju was just bitter
But it felt like an iced cocoa at the time
(Baby, I fall in love)

The gap between your lips and my lips
Which have never met till the end
I don't know what kind of relationship will come and go
But my direction is heading to you

As if I would run to you right now
DA DA DA
Now I can give everything to you
All all all
The empty room is dark again
If I tear the calendar, will I be able to see you?

When I'm back to reality
I feel that I need to draw you to fall back asleep
In the end, I'm not able to make a decision
After I drop the phone from my shaky hands, I grabbed a pen
I'm barefoot at last
You are a dark pink mink
The shabby clock reflects my tired face
At the time you were a protagonist from another world
So I can still draw you easily

The gap between your lips and my lips
Which have never met till the end
I don't know what kind of relationship will come and go
But my direction is heading to you

As if I would run to you right now
DA DA DA
Now I can give everything to you
All all all
The empty room is dark again
If I tear the calendar, will I be able to see you?

You and I who once loved each other
Drifted apart like the clock hands as time went by
Someday after turning again and again
Will we be able to light up the dark room again?
I can still feel our presence

The gap between your lips and my lips
Which have never met till the end
I don't know what kind of relationship will come and go

But my direction is heading to you

As if I would run to you right now
DA DA DA
Now I can give everything to you
All all all
The empty room is dark again
If I tear the calendar, will I be able to see you?
