Babe I don't pop a lot  
Maenjeongsin I don't like  
Nagago sipjiman  
Neon sober high tonight  
Nuni majuchyeo twice  
Third times four times five times

Random summer night  
I'm looking for someone like you  
Seoneul geonneo gandamyeon  
Gureum neomeo daeul deut  
You can tie my hand tonight  
You can tie my hand tonight

I'm not  
Frick frick frick frick frick frick fricky

You know I'm a stoner girl, but lately I been sober yeah  
Just tryna get my mind right  
You came at the perfect time  
The way you peeking over your shoulder says that you wanna come over  
Let's shake up out this lil bar  
Real deal player, I ain't trying too hard  
I'm usually tee-tee'd way odee-dee  
Couldn't bring my zip overseas-ees  
Don't be shy, bae you could reach me  
Plus I'm new here, you could teach me something  
And it does feel random, still I'm down for the ride tonight  
But I got a lil something rolled if you wanna get fried tonight
