You're the baddest chick, oh

□□□
You're the baddest chick
You're the baddest chick, girl

A silhouette roaming around in my head
Watch again and again, it never gets old
When your eyes meet and you smile
I just can't sit still
I can't sleep because of you
You're beautiful, even your name
Breathtaking body, that voice
I can't stop thinking about all of you
Even if I act like nothing's up
Even if I try to turn my eyes to other girls
I can't get you out of my head
I can't sleep, even when I shut my eyes

I keep thinking about you
I keep thinking, keep thinking
Keep thinking of you
Keep thinking, keep thinking
Keep thinking of you

You're the baddest chick, oh
You're the baddest chick
You're the baddest chick, girl
Thinking about you
You're the baddest chick
You're the baddest chick, girl
I'm thinking about you

Day and night
I miss you all day
There's meaningless tension in the air
Do you know what this is about?

I can't do anything
I picture a scene from a movie
It doesn't go away, never
Please be behind those door when I open them
Even if I act like nothing's up
Even if I try to turn my eyes to other girls
I can't get you out of my head
I can't sleep, even when I shut my eyes

I keep thinking about you
I keep thinking, keep thinking
Keep thinking of you
Keep thinking, keep thinking
Keep thinking of you

You're the baddest chick, oh
You're the baddest chick
You're the baddest chick, girl
Thinking about you
I'm thinking about you
You're the baddest chick
You're the baddest chick, girl
I'm thinking about you

This rocks, I feel good, feel good
Thinking about you, I feel good, feel good

Come here, hurry up and come here
Let's get high, high
