Uh, bae, my double cup muddy as ever, uh (My double cup muddy)
I get geeked off these drugs, but I swear it don't make it no better, uh (Do
n't make it no better at all)
In that double-R truck, when it rain, I pull out the umbrella, uh (The doubl
e-R came with umbrella)
Keep my foot on they neck, when I'm done, they gon' need them a stretcher, u
h (They gon' need a stretcher for real)
I'm on a whole 'nother level (I'm on a whole 'nother level)
I jumped right in the game and I built up my name, now I'm gon' keep my foot
on the pedal (I'm gon' keep my foot on the pedal)
I get right on the stage and they screamin' my name, I thank God that my lif
e gettin' better (Thank God that my life gettin' better)
How we just gettin' started? They doubted the Z, told 'em soon I'ma headline
Coachella (I'ma headline Coachella)
And I promise I am (I am)

Tryna hang up diamond plaques up on my wall this year, I promise I am (I am)
They gave me the ball and I ain't pass it yet, I just keep shootin' at the g
ym (Shootin' at the gym)
Put me in the game, I ain't stop ballin' yet, I'm tryna take home the rim (T
ake home the rim)
They want switches when they runnin' down on somethin', they tryna take off
a limb, uh (Ffft)
I'm on too much drugs, ain't got no feelings, uh
It ain't 'bout no paper, I don't want no dealings at all, uh
Baby, you the baddest in the building, uh (You the baddest in the building r
ight now)
I just wanna take you home, so I can watch you take it off (Oh-oh)

Uh, bae, my double cup muddy as ever, uh (Double cup muddy right now)
I get geeked off these drugs, but I swear it don't make it no better, uh (Do
n't make it no better at all)
In that double-R truck, when it rain, I pull out the umbrella, uh (The doubl
e-R came with umbrella)
Keep my foot on they neck, when I'm done, they gon' need them a stretcher, u
h (My foot on the gas, nigga)
I'm on a whole 'nother level (I'm on a whole 'nother level)
I jumped right in the game and I built up my name, now I'm gon' keep my foot
on the pedal (I'm gon' keep my foot on my pedal)
I get right on the stage and they screamin' my name, I thank God that my lif
e gettin' better (Thank God my life gettin' better)
How we just gettin' started? They doubted the Z, told 'em soon I'ma headline
Coachella (Man, they doubted the Z)
And I promise I am

Yeah, took me some L's, now these days, I be playin' for keeps
Pour me a deuce only time that I'm keepin' the peace (Peace, peace)
I'm up in Pompano poppin' a Perc with the Z's (Z's)
Might let you meet Shimmy, bae, don't be timid, courtside at the Heat
She on my jimmy, alright, I want me a bitch like Coi Leray

I done lost track what I made today
I give her some stacks and make her day (Oh-oh)
Yeah, Adderall get me lit like a candle (Candle)
I'm steppin' on shit like a sandal (Step)
My clip, it curve like a banana (Grr)
You know I'm an ape, yeah (Grrt, bah)
I keep a Glock, please don't approach me (Baow)
We step on opps, them niggas roaches (Boom)
It's on my waist, fuck is a holster? (Boom, baow)
Oh-oh
You play with my bread and I'm gettin' you toasted
Can't see a stop sign, I'm still bendin' the corner (Skrrt)
Put the Maybach in drive, we havin' motion (Oh-oh)
I'm up in her thighs, she like my size
Her pussy taste sweet, I'm creamin' her pie
I'm on these Addys, I can't close my eyes
If I like her energy, I buy her Tiffany
Got on red just like Stewie, I dog her like Brian
She still want my baby, I'm a family guy (Giggity, giggity, oh-oh)

Uh, bae, my double cup muddy as ever, uh (Double cup muddy right now)
I get geeked off these drugs, but I swear it don't make it no better, uh (Do
n't make it no better at all)
