

# Ain't Really With Me

Loe Shimmy

Ooh, ooh, ooh  
Ooh, ooh  
Ooh, ooh  
Ooh, uh

It's so hard tryna find some peace  
Send a blitz, up my rank right now  
I can't feel when I'm off this E  
Love the last thing I think 'bout  
We finally livin' better, think I got a money fetish  
These diamonds gettin' wetter, now she takin' off her panties  
I'm on a plane with hundred 'bows, tryin' not to catch a sentence  
I'm in the A like Slaughter Gang, spent twenty-one in Lenox (Ooh, ooh)  
Uh, we got six bodies, I'ma stop at twenty  
Uh, this bitch so bad, get Double C, no Fendi  
You ain't foolin' me, know you got mileage like a fuckin' hemi  
I just popped a G6 with no pilot, flyin' presidentialy  
.308 came fully, it take big rounds  
Don't know who really love me 'cause I'm rich now  
You hear lieutenant talkin', better sit down (Ooh)  
Uh, I'ma be the biggest, get a diamond plaque, just watch, I said it  
I keep watchin' video of me walkin' niggas down on Reddit  
I can't do no cappin', life I rap about, I'm really livin'  
Bitch think I'ma wife her, got me fucked up, you don't do no sentence
