Broken

Loe Shimmy

Oh-oh, oh
I'm already broken
Too much, drugs it got me floatin', uh (We done killed this boy beat,
 Vince, I ain't gon' lie, it dead)

This shit ain't change me, when it's time, them zombies scopin' out
Amiri jeans, every time I walk, my glocky pokin' out
This shit ain't change me, when it's time, them zombies scopin' out
Amiri jeans, every time I walk, my glocky pokin' out
It's too much smoke up in the air, it got 'em chokin'
It got 'em chokin' out, it got 'em chokin'
She want my heart, ain't nothin' to give, already broken
I'm already broken now, I'm already broken

Too much drugs, it got me floatin'
I pop a Perc' and dive inside her like the ocean
Oh, they want war with me? Big Z, they must be jokin'
I get nervous nigga, movin' 'round, that chopper open
See how they doubted me, but all this time, knew I was chosen
They better not play with me, I'm blitzin' in, I catch 'em loafin', u
h
I need you by my side, you better not leave, girl, I ain't jokin'
I need you by my side, you better not never leave
And she ain't hard to please, I eat her pussy overseas
I'm bangin' Z's, I'm flippin' keys, slidin', servin' fiends (On God)
They say love is hard to tell, I don't know what that means
I need lil' sis right by my side, I'm prayin' to God again
Fuck all that tweetin', better slide if it's a problem then
Mama ain't tryna lose me to them streets, but I keep fallin' in
Hope I see Lil Kobe when I'm gone so we can ball again

This shit ain't change me, when it's time, them zombies scopin' out
Amiri jeans, every time I walk, my glocky pokin' out
This shit ain't change me, when it's time, them zombies scopin' out
Amiri jeans, every time I walk, my glocky pokin' out
It's too much smoke up in the air, it got 'em chokin'
It got 'em chokin' out, it got 'em chokin' out
She want my heart, ain't nothin' to give, already broken
I'm already broken now, I'm already broken

Oh, ooh-oh-oh
Oh ooh-oh-oh
Oh, I'm already broken
I'm already broken
I'm already broken
Once the rain starts falling
On my face (On my face)
You won't see (You won't see a)
A single trace (A single trace)
